Session Sneak Peek Safest Cities in Texas.jpg

How can you leverage technology to not only solve – but actually *deter* – crime in your community?

Join us for this Flock Forward session to discover how Chief Scesney of Grand Prairie TX gained actionable insights from technology that you can emulate in your department to solve and deter more crime.

By effectively using public safety technology combined with good policy, Grand Prairie is seeing crime drop, including: residential burglary down 59%, robbery down 49%, and

vehicle burglary down 40%.

Discover how this city – tucked between Dallas and Fort Worth – was named the 4th safest major city in Texas. Plus, learn how you can gain similar insights to shape usage and policies that can deter crime.
